Welcome to the online survey on accessible parking at business facilities. Your participation is greatly appreciated. The opinions and thoughts you express in this survey will remain anonymous and will be used to help guide the Texas Legislature as they review the status of accessible parking throughout the state and consider any need for changes to our state’s parking laws. Your responses will be combined with other responses we receive to provide a more informed view of accessible parking issues in Texas. Participating in this survey should take approximately 15 minutes.

Please contact the Texas Governor's Committee on People with Disabilities at gc pd@gov.texas.gov if you have questions about or need assistance with this survey.
