JOINT BASE INSTALLATIONS:

- ★ *Fort Sam Houston* – One of the Army's oldest installations, Fort Sam Houston is home to enlisted military medical training. San Antonio Military Medical Center is the largest inpatient medical facility in the Department of Defense. U.S. Army North and U. S. Army South, headquartered at Fort Sam Houston, are responsible for all Army security and defense missions in the Americas.
- ★ *Lackland Air Force Base* – In addition to hosting technical and intelligence training, Lackland serves as the gateway to the Air Force by hosting U.S. Air Force Basic Military Training for all enlisted active duty, reserve, and guard personnel.
- ★ *Randolph Air Force Base* – Randolph AFB is headquarters to Air Education Training Command, which oversees all training missions throughout the U.S. Air Force.

PARTNERSHIPS: San Antonio, also known as Military City USA, provides exceptional support to the military. JBSA continues to interact with communities in the region, and is partnering with the Port of San Antonio to build a multi-modal transportation center in southwest San Antonio.

OUTLOOK: JBSA and the city of San Antonio are conducting a community-military partnership project focused on installation cost reduction by sharing municipal services. JBSA continues to use best practices by melding military cultures, missions, and technologies from all military services to support our national defense.
