**TENANT COMMANDS:** NAS Kingsville is home to 23 tenant commands and activities including:

- ★ *TRAWING TWO* – responsible for providing national fleet with 200 newly winged Navy and Marine Corps pilots
- ★ *U.S. Border Patrol, Rio Grande Sector Kingsville Station* – manages the Sarita, TX, Border Patrol interior checkpoint
- ★ *Chief of Naval Air Training Detachment* – performs surveillance of contractor operations for aviation maintenance contracts
- ★ *Naval Branch Health Clinic Kingsville* – provides outpatient medical care to military personnel, veterans, and their families

**PARTNERSHIPS:** NAS Kingsville achieves its mission with the support of many corporate partners. Three major civilian contractors on NAS Kingsville are: L3 Communications/Vertex Aerospace, Rolls-Royce, and Fidelity Technologies. L3 Communications/Vertex Aerospace provides aircraft maintenance and logistics. Rolls-Royce performs engine maintenance for the T-45 Goshawk's Roll-Royce engine, and operates the air station's Jet Engine Test Cell Facility. Fidelity Technologies handles flight simulator instruction and simulator maintenance for the Training Air Wing TWO. As a recommendation from the 2010 Joint Land Use Study, the city of Kingsville and Kleberg County instituted the state's Airport Zoning Act creating the Joint Airport Zoning Board. This five-person board can create zoning ordinances to ensure compatible development around the installation.

**OUTLOOK:** With over 36,000 cubic miles of unencumbered airspace, direct access to Navy controlled landing fields, and on-sight T-45 life-cycle maintenance, NAS Kingsville will continue to support the U.S. Navy as a valuable aviation training facility.
