MOBILIZING STATE RESOURCES

- On January 27, 2020, Governor Abbott activates the State Medical Operations Center and all state emergency response agencies to implement existing statewide preparedness and response plans.
- At the Governor's direction, the Texas Task Force on Infectious Disease Preparedness and Response and the Texas Emergency Management Council begin regular meetings.
- At the Governor's direction, the Department of State Health Services (DSHS) begins daily calls with public health authorities and providers.
- Governor Abbott and Attorney General Ken Paxton issue a joint statement on price gouging and announce a consumer hotline.
- On March 13, Governor Abbott declares a State of Disaster for all Texas counties due to the imminent threat posed, authorizing the use of all available and necessary state resources to assist Texas communities.
- Governor Abbott directs all state agencies to enact telework policies to ensure continuing service.
- Governor Abbott activates the Texas National Guard and deploys three brigades to assist health professionals and emergency responders on the front line.
- Governor Abbott announces the Texas Military Department and U.S. Army Corps of Engineers are working to identify and equip medical facilities if additional hospital capacity is needed.
- Governor Abbott provides a region-by-region update on medical and Personal Protective Equipment (PPE) and supplies acquired by the Supply Chain Strike Force and distributed across Texas.
- Governor Abbott announces that Texas National Guard members are helping to staff a 24-hour operation to produce 2 million facemasks a week for distribution in Texas.
- Governor Abbott announces an executive order on April 17 establishing the Governor's Strike Force to Open Texas, including a Medical Advisory Board to guide the State's decisions on reopening Texas.
- Governor Abbott announces the Texas National Guard will be mobilizing more than 1,200 personnel as part of mobile testing teams in various parts of the state.

- Governor Abbott announces Surge Response Teams are deployed across the state to provide personal protective equipment, testing supplies, onsite staffing and assessment assistance to nursing homes, prisons, packing plants and other facilities to contain COVID-19 flare-ups.
- Governor Abbott directs the Texas Division of Emergency Management (TDEM), the Texas Health and Human Services Commission (HHSC) and DSHS and to test all Texas nursing home residents and staff.
- Governor Abbott and Texas National Guard launch a disinfection mission for nursing facilities.
- At Governor Abbott's direction, Surge Response Teams were in 60 communities across Texas over Memorial Day weekend to tackle COVID-19 clusters.
- Governor Abbott announces TDEM is coordinating with local officials across the state to rapidly expand COVID-19 testing in underserved and minority communities disproportionately impacted by the virus.
- Governor Abbott and TDEM announce Joint Task Force Texas, a newly formed partnership between the Texas National Guard and Active Duty and Reservists to strengthen COVID-19 response.
- At Governor Abbott's direction, state agencies continue to reinforce minimum health protocols messaging on social channels and to promote the interactive map showing testing sites across the state.
- Governor Abbott visits TDEM's warehouse in San Antonio and updates on the State's distribution of PPE to Texas school districts for the 2020-2021 academic year.
- Governor Abbott announces that the Houston Astros and TDEM have teamed up to open a free COVID-19 testing site at Minute Maid Park in Houston.
- Governor Abbott mobilizes the Texas Military Department (TMD) in response to Tropical Storms Marco and Laura. TMD has trained for rescue operations in a COVID-19 environment and has strategically placed PPE with aviation assets around Texas.
- Governor Abbott announces that DSHS and TDEM have surged medical personnel and PPE to El Paso to help combat COVID-19 and support hospitals in the region.
- Governor Abbott, the Texas Education Agency (TEA) and TDEM announce the creation of a COVID-19 Rapid Testing Pilot Program for Texas school systems to mitigate the spread of COVID-19 on campuses.
- Governor Abbott announces that DSHS and TDEM have surged medical personnel, medical supplies and PPE to the Panhandle and South Plains areas to support hospitals in their COVID-19 response.
- Governor Abbott announces that DSHS has secured 2.8 million doses of flu vaccine to help ensure health care providers can focus resources on treating COVID-19 patients.
- Governor Abbott announces that DSHS and TDEM are surging additional medical personnel and equipment to the El Paso region to assist with the community's COVID-19 response.
- Governor Abbott announces that TDEM is establishing an alternate care site in El Paso to expand hospital capacity in the region and assist with the community's COVID-19 response.
- Governor Abbott announces that TDEM has established a bamlanivimab infusion wing at the state-run alternate care site in El Paso.
- Governor Abbott and TDEM launch a COVID-19 Rapid Testing Pilot Program for front line workers at Texas small businesses.
- Governor Abbott announces that TDEM has established COVID-19 therapeutic infusion centers in Harlingen, Austin, Laredo, Fort Worth and Irving to treat outpatient cases.
- Governor Abbott announces that TDEM has established an Alternate Care Site in Austin to expand hospital capacity in the region.
- Governor Abbott announces that TDEM has established a COVID-19 therapeutic infusion center in Lubbock.
- Governor Abbott and TDEM announce the expansion of the COVID-19 Rapid Testing Program for front line workers at Texas small businesses by dedicating 1 million rapid tests to the program.
- Governor Abbott announces that DSHS and TDEM have surged medical personnel, equipment, testing supplies and PPE to Laredo to help combat COVID-19 and support hospitals in the region.
- Governor Abbott and TDEM announce expansion of COVID-19 therapeutic infusion center in Austin.
- Governor Abbott announces that TDEM has established an Alternate Care Site in Lubbock to expand hospital capacity in the region.
- Governor Abbott and TDEM announce the creation of the State Mobile Vaccine Pilot Program to ramp up COVID-19 vaccination efforts in underserved areas of Texas.

- Governor Abbott announces that TDEM, in partnership with the Texas Military Department, is deploying State Mobile Vaccination Teams to five additional underserved counties this week: Motley, Glasscock, Kenedy, Terrell and McMullen.
- Governor Abbott announces that TDEM, in partnership with the Texas Military Department, will deploy State Mobile Vaccination Teams to five additional underserved counties this week.
- Governor Abbott announces that TDEM, DSHS and the Texas Military Department have announced 26 participating counties for the first week of the Save Our Seniors initiative.
- Governor Abbott announces 34 counties participating in the second week of the Save Our Seniors COVID-19 vaccine initiative.
- Governor Abbott announces third week of Save Our Seniors vaccination initiative in 28 counties.
- Governor Abbott announces fourth week of Save Our Seniors vaccination initiative in 25 counties.
- Governor Abbott announces outreach partnership to increase COVID-19 vaccinations among seniors.
- DSHS launches Texas public health vaccine scheduler; registration available for vaccine clinics by DSHS and some other public health entities.
- Governor Abbott and TDEM announce COVID-19 Rapid Testing Program for youth summer camps.
- Governor Abbott announces 35 counties participating in the fifth week of the Save Our Seniors initiative.
- Governor Abbott announces 46 counties participating in the sixth week of the Save Our Seniors initiative.
- Governor Abbott announces 35 counties participating in the seventh week of the Save Our Seniors initiative.
- DSHS launching next phase of campaign encouraging Texans to be vaccinated against COVID-19.
- Governor Abbott, TDEM, DSHS and the Texas Military Department announce 24 counties participating in the eighth week of Save Our Seniors.
- Governor Abbott, TDEM and the Texas Military Department announce the launch of the State Mobile Vaccination Team Call Center.
- Governor Abbott, TDEM and the Texas Military Department expand mobile vaccine program to include groups of five or more Texans
- Governor Abbott announces actions to mitigate the recent rise in COVID-19 cases in Texas: increasing health care facility staffing and capacity, expanding antibody infusion centers, and increasing vaccine availability.
- Governor Abbott and Texas DSHS announce multiple deployments of additional medical personnel and equipment to assist hospitals with COVID-19 response.
- Governor Abbott and TDEM announce the continuing openings of state-sponsored COVID-19 therapeutic infusion centers, now in 23 communities across the state. The treatment is free and available to Texans who test positive for COVID-19 and have a referral from a doctor. Texans can visit meds.tdem.texas.gov to find a therapeutic provider.
- Governor Abbott announces that DSHS, in partnership with local officials, will launch a new COVID-19 therapeutic infusion center in El Paso.

- Governor Abbott announces HHSC has received over \$1 billion in pandemic food benefits (P-EBT) from USDA; P-EBT can be used in the same way as SNAP food benefits to pay for groceries.
- Governor Abbott announces HHSC has received more than \$3 million in federal funding to provide shelter and services to survivors of family and domestic violence during the COVID-19 pandemic.
- Governor Abbott announces that HHSC will provide approximately \$177 million in extended emergency SNAP food benefits for the month of June with funding from the USDA.
- Governor Abbott announces that the federal government has granted his request to extend operations of Community-Based Testing Sites across Texas while surging resources to Dallas and Houston.
- Governor Abbott and HHSC announce \$9 million in federal funding for nursing facilities to implement infection control projects to protect residents and staff from the spread of COVID-19.
- Governor Abbott and HHSC announce \$2.67 billion in federal funding has been approved for Texas hospitals caring for people receiving Medicaid, a \$1.07 billion increase from the previous fiscal year.
- Governor Abbott announces that HHSC will provide approximately \$182 million in extended emergency SNAP food benefits for the month of July with funding from the USDA.
- Governor Abbott announces the HHS will provide free COVID-19 testing in Edinburg as part of the federal government's surge testing efforts in hot spots.
- Governor Abbott announces the state will invest \$57M in federal CARES Act funds to maintain the state’s need-based financial aid programs and keep more college and university students enrolled.
- Governor Abbott announces that additional federal resources have been activated and are being sent to the Houston region to combat COVID-19.
- Governor Abbott announces that HHS has extended federal support of Community-Based Testing Sites in Dallas and Houston through July 31, 2020.
- Governor Abbott announces that the Department of Defense (DOD) has activated medical teams from the U.S. Army and U.S. Navy to assist the state's efforts to combat COVID-19.
- Governor Abbott announces that his Public Safety Office will provide \$41 million in federal funds to assist cities and counties throughout the COVID-19 response.
- Governor Abbott announces that the DOD will surge resources to Rio Grande Valley hospitals to help combat COVID-19.
- Governor Abbott, Lt. Gov. Patrick, Speaker Bonnen and Senate Finance and House Appropriations Chairs allocate \$200 million in CARES Act funding to the TEA for the purchase of eLearning devices and home internet solutions to enable remote learning.

- Governor Abbott announces that the DOD has sent five U.S. Navy teams to four locations in South and Southwest Texas to help combat COVID-19.
- Governor Abbott announces that the State will allocate an additional \$118 million in federal funding to support higher education in Texas.
- Governor Abbott announces that HHSC has received federal authority to extend certifications by six months for SNAP recipients whose benefits are up for renewal in July and August.
- The Office of the Governor announces that DOD has deployed an 85-person U.S. Army Reserve Urban Augmentation Medical Task Force to Corpus Christi and Victoria to help combat COVID-19.
- Governor Abbott announces that the McAllen Convention Center will be converted into a health care facility to help meet the region's hospital capacity needs, and that DOD has deployed two 85-person U.S. Army Reserve Urban Augmentation Medical Task Forces to Harlingen and Edinburg.
- Governor Abbott announce that the President has extended federal funding through the end of 2020 for the Texas National Guard's mission to help combat COVID-19 in communities across the state.
- Governor Abbott announces that HHS has established four temporary, federally funded COVID-19 surge testing sites in Harris County, now extended through August 29.
- Governor Abbott and HHSC announce that \$1.1 billion in Quality Incentive Payment Program funds have been approved to support Texas nursing facilities providing care for individuals receiving Medicaid.
- Governor Abbott announces that TWC has applied for additional unemployment benefit funding that will provide an additional \$300 per week in benefits for qualifying Texans.
- Governor Abbott announces the federal government has approved nearly \$1.4 billion in initial funds made available through President Trump's Lost Wage Assistance Executive Order.
- Governor Abbott announces that HHSC will provide approximately \$188 million in extended emergency SNAP food benefits for the month of September.
- Governor Abbott announces the allocation of over \$171 million in CARES Act funding for targeted rental assistance for Texans at risk of eviction.
- Governor Abbott announces that HHSC will provide approximately \$196 million in emergency federal SNAP food benefits for the month of October.
- Governor Abbott announces that HHS is partnering with the state and local officials to offer temporary COVID-19 surge testing in McLennan County.
- Governor Abbott and HHSC announce \$3.5 million in federal funding for nursing facilities to help keep nursing facility residents and families safe, ensuring residents can receive the family support they need.
- Governor Abbott announces HHSC will receive more than \$20 million in federal funding for disaster crisis counseling services for Texans impacted by the COVID-19 pandemic.
- Governor Abbott requests use of William Beaumont Army Medical Center for non-COVID patients in El Paso to free up beds in area hospitals for COVID patients.
- Governor Abbott announces that HHS has activated additional federal resources to help combat COVID-19 in the El Paso region.
- Governor Abbott announces that HHSC will provide approximately \$202 million in emergency federal SNAP food benefits for the month of November as the state continues its response to COVID-19.
- Governor Abbott announces that DOD has deployed three U.S. Air Force Medical Specialty Teams to assist the state's efforts to combat COVID-19 in El Paso.
- Governor Abbott announces that DSHS will be allocating an initial shipment from HHS of bamlanivimab, a monoclonal antibody therapy, to acute care hospitals across the state.
- Governor Abbott, TEA and TDEM announce \$420 million in CARES Act funding to reimburse Texas schools for the purchase of Wi-Fi hotspots and eLearning devices in support of remote learning.
- Governor Abbott announces that the CDC has made an initial allotment of over 1.4 million doses of the COVID-19 vaccines to the State of Texas for the month of December.
- Governor Abbott announces that HHSC will provide approximately \$204 million in emergency federal SNAP food benefits for the month of December.
- Governor Abbott joins an Operation Warp Speed meeting at the White House with the President, VP and other administration officials.
- Governor Abbott announces that the State of Texas will participate in the Pharmacy Partnership for Long-Term Care Program, a federal program to vaccinate residents and staff of long-term care facilities.

- Governor Abbott shares news of the arrival of the initial doses of COVID vaccines in Texas. In all, Texas was allocated 224,250 doses of vaccine to be shipped to 110 providers across the state in Week 1.
- Governor Abbott visits the White House where he attends a briefing on Operation Warp Speed with the VP and other state and federal leaders.
- DSHS announces Texas to receive 620,000 doses in Week 2 of COVID-19 vaccine distribution.
- DSHS announces nearly 380,000 doses sent to providers in Week 3 of COVID-19 vaccine distribution.
- Governor Abbott announces TDEM has secured an extension of four federally funded Community Based Testing Sites in Houston and Harris County through January 31, 2021 or until the sites reach maximum capacity of conducting 50,000 COVID-19 tests.
- DSHS announces more than 325,000 first doses sent to providers in Week 4 of COVID-19 vaccine distribution; 224,250 second doses sent to complete vaccination for first week recipients.
- Governor Abbott announces that HHSC will provide approximately \$204 million in emergency federal SNAP food benefits for the month of January; recipients will also see an additional 15 percent increase due to recently passed federal legislation.
- Governor Abbott and DSHS announce that Texas has administered more than 1 million COVID-19 vaccine doses, exactly one month after the first doses arrived, making Texas the national leader.
- DSHS announces Texas will receive 333,650 first doses and 509,400 second doses of COVID-19 vaccine for the week of January 18.
- Governor Abbott announces that the DOD has deployed 80 military medical personnel from the U.S. Army, U.S. Navy, and U.S. Air Force to assist in COVID-19 response in Abilene, Lufkin, and Eagle Pass.
- Governor Abbott announces that HHSC will provide approximately \$300 million in emergency federal SNAP food benefits for the month of February.
- Governor Abbott announces the launch of the federally funded Texas Rent Relief Program — the first statewide rent and utility assistance program for qualifying households.
- Governor Abbott announces that FEMA is establishing mass community vaccination sites in the DFW metroplex and Houston.
- As of February 19, 2021, Texas providers have administered more than 4.3 million doses of CDC-provided vaccine. More than 3 million have received at least one dose; almost 1.3 million have been fully vaccinated.
- Governor Abbott and HHSC will provide approximately \$229 million in emergency federal SNAP food benefits for the month of March as the state continues its response to the COVID-19 pandemic.
- DSHS announces COVID-19 vaccine coming to Texas continues to increase; state surpasses 5 million doses administered as of February 26, 2021.
- DSHS announces Texas to receive more than 1 million COVID-19 vaccine first doses for the next week.
- DSHS announces Texas to receive more than 800,000 COVID-19 vaccine first doses for the next week; 5 million people vaccinated as Texas expands eligibility.
- DSHS announces Texas to receive more than 900,000 COVID-19 vaccine first doses for the next week; more than 3 million people fully vaccinated.
- DSHS announces Texas to open COVID-19 vaccination to all adults on March 29; DSHS directs providers to continue to prioritize older adults.
- Texas to receive record 2.5 million doses of COVID-19 vaccine.
- Governor Abbott and HHSC announce approximately \$254 million in emergency federal SNAP food benefits for the month of April as the state continues its response to the COVID-19 pandemic.
- Governor Abbott announces partial approval of FEMA community vaccination sites extension request in DFW metroplex and Houston.
- Texas to receive 1.9 million doses of COVID-19 vaccine; 3 million doses given since vaccination opened to Texans 16 and older.
- More than 1.7 million doses of COVID-19 vaccine to be shipped to providers across Texas. As of April 23, 2021, Texas has administered more than 16.8 million doses; about 7 million Texans are now fully vaccinated (31%). Among Texas seniors, three-quarters have gotten one dose; six in 10 are fully vaccinated.
- Governor Abbott, Lieutenant Governor Patrick and Speaker Phelan announce the release of \$11.2 billion in new federal funds to help public schools address student learning loss and costs.
- Governor Abbott announces that HHSC is providing approximately \$246 million in emergency federal SNAP food benefits for the month of May as the state continues its response to the COVID-19 pandemic.

- Governor Abbott and HHSC announce \$2.5 billion in federal pandemic food benefits for Texas families who have temporarily lost access to free or reduced-price school meals due to COVID-19.
- Governor Abbott and HHSC announce additional food benefits for families participating in the Texas Special Supplemental Nutrition Program for Women, Infants and Children (WIC) through September 2021.
- Governor Abbott announces that HHSC is providing approximately \$208 million in emergency federal SNAP food benefits for the month of June as the state continues its response to the COVID-19 pandemic.
- Governor Abbott announces that HHSC is providing approximately \$262 million in emergency federal SNAP food benefits for the month of July as the state continues its response to the COVID-19 pandemic.
- Governor Abbott announces Texas HHSC is receiving more than \$210 million in federal emergency grants for mental health and substance use disorder services to respond to the COVID-19 pandemic.
- Governor Abbott announces that the Texas Department of Housing and Community Affairs has awarded \$52.9 million in Housing Stability Service Grants to 31 organizations around the state to help income-eligible Texans struggling because of the COVID-19 pandemic.
- Governor Abbott announces that Texas HHSC is providing \$267 million in federal emergency SNAP food benefits for August as the state continues its response to COVID-19.
- Governor Abbott announces additional federal coronavirus relief assistance payments from the American Rescue Plan Act will begin this week for communities with populations under 50,000.
- Governor Abbott and Texas HHSC announce \$1.4 billion in summer federal pandemic food benefits for Texas families.
- Governor Abbott announces that Texas HHSC is providing \$286 million in emergency federal SNAP food benefits for September as the state continues its response to COVID-19.
- Governor Abbott and the Texas Department of Housing and Community Affairs (TDHCA) announce the Texas Rent Relief Program is the first in the nation to provide \$1 billion in assistance.
- Governor Abbott and HHSC announce more than \$310 million in emergency federal SNAP food benefits for the month of November.

KEEPING TEXANS INFORMED

- In January 2020 at the Governor's direction, DSHS launches a coronavirus information/resources page online and continues to broadly promote preventative hygiene measures; social posts are shared/amplified by other state agencies.
- Beginning in February, Governor Abbott hosts ongoing press conferences, joined by DSHS and TDEM.
- Governor Abbott conducts almost daily media interviews with local and regional media.
- Through ongoing social campaigns amplified by all state agencies, and televised public service announcements, Governor Abbott continually urges Texans to take preventative measures and to visit dshs.texas.gov for more information.
- Governor Abbott hosts a televised town hall to answer Texans' questions.
- Governor Abbott invites Texans to volunteer supplies, equipment and medical services by going to the state's portal: texas.gov
- First Lady Cecilia Abbott reminds Texans by video to check on older, isolated family members and neighbors who may be in need of food and medicine.
- Governor Abbott releases a video message to all Texans as his executive order goes into effect requiring all Texans to stay home unless they are participating in an essential service or activity.
- Governor Abbott holds a press conference detailing the progress that Texas has made in slowing the spread, including county-by-county reporting.
- Governor Abbott continues to conduct regular press conferences and local/regional broadcast media interviews to update on the State's response.

- Governor Abbott holds a press conference on April 17 to announce the Governor's Strike Force to Open Texas; the State's reopening strategies will be guided by a Medical Advisory Board and with the advice of a Special Advisory Council of business leaders representing the state's regions and industries.
- Governor Abbott holds a press conference to update on the State's response; announces nearly 500,000 job openings listed on WorkInTexas.com.
- Governor Abbott announces an online COVID-19 test collection map to help Texans locate test collection sites within their community.
- On April 27, Governor Abbott announces Phase One of the State's ongoing plan to safely and strategically open Texas while minimizing the spread of COVID-19, and publishes online a report and checklists for download for individuals, employers, employees, customers and others.
- On May 5, Governor Abbott announces expanded business openings, new guidance on graduation ceremonies, the deployment of Surge Response Teams and the publication of updated Open Texas checklists online for businesses/services now open, for openings effective May and for openings effective May 18.
- Governor Abbott releases a statement and provides details on increased cases in Amarillo.
- Governor Abbott releases a public service announcement (PSA), "Be a Good Neighbor. Be a Texan."
- Governor Abbott holds a press conference in Amarillo; discusses the state's ongoing collaboration with local and federal leaders to address hot spots in the Amarillo area; and outlines data on hospitalizations, testing, fatalities and positivity rates that demonstrate the success of the surge response teams.
- The Office of the Governor and George Strait release a PSA "Write This Down, Take a Little Note." encouraging Texans to practice good hygiene, wear a facemask and stay six feet from others in public.
- The Office of the Governor and Baseball Hall-of-Famer Nolan Ryan release a PSA "Don't Be a Knucklehead" to encourage all Texans to follow effective health protocols.
- The Office of the Governor and Dallas Cowboys Linebacker Jaylon Smith release a PSA entitled "Wear a Mask On and Off the Field."
- Governor Abbott updates on the abundant capacity at Texas hospitals during a televised press conference and reminds Texans to continue to do their part to mitigate the spread of COVID-19.
- Governor Abbott provides an update on Texas' COVID-19 response at a press conference and discusses steps taken to mitigate the spread of the virus—including increasing enforcement of health and safety regulations, rapidly increasing testing in hot spots and working with hospitals to ensure capacity.
- The Office of the Governor and UT Southwestern Medical Center release a Spanish-language PSA on how Texans can protect themselves and others from COVID-19.
- The Office of the Governor and University of Texas Head Football Coach Tom Herman release a PSA titled "The Power of Teamwork," urging Texans to work together as a team to stop COVID-19.
- The Office of the Governor and Major League Baseball Hall-Of-Famer Iván "Pudge" Rodríguez issue a PSA on the importance of wearing a mask to mitigate the spread of COVID-19.
- On July 2, Governor Abbott releases a video message to coincide with Executive Order 29, encouraging Texans to do their part to mitigate the spread of COVID-19 and keep their communities safe.
- The Office of the Governor and Francisco Cigarroa, MD, of UT Health San Antonio release a Spanish-language PSA urging Texans to work together to slow the spread of COVID-19.
- The Office of the Governor and Guadalupe Zamora, MD, of Zamora Medical Center release an English-Spanish PSA urging communities to work together to protect vulnerable Texans from COVID-19.
- Governor Abbott holds a press conference on his visit to the Coastal Bend region to survey Hurricane Hanna damage and discuss the ongoing local/state/federal partnership to combat COVID-19.
- Governor Abbott holds a press conference on his visit to the RGV to survey Hurricane Hanna damage and discuss the ongoing local/state/federal partnership to combat COVID-19.
- Governor Abbott holds a roundtable and press conference at UT Southwestern Medical Center on Texas' approach to flu season as the state and the country continue to deal with the COVID-19 pandemic.
- Governor Abbott travels to meet with local leaders and legislators in Beaumont and holds a press conference to update on the state's continued efforts to mitigate the virus.
- Governor Abbott travels to meet with local leaders and legislators in Beaumont and Victoria and holds press conferences to update on the state's continued efforts to mitigate the virus.
- Governor Abbott travels to meet with local leaders and legislators in Lubbock and El Paso and holds press conferences to update on the state's continued efforts to mitigate the virus.

- Governor Abbott holds a press conference to update on the state's ongoing efforts to combat COVID-19. The Governor issues executive orders expanding occupancy levels for select businesses and services, and re-authorizing elective surgeries for a majority of the state of Texas. The Governor also announces new guidance related to visitations at nursing homes and long-term care facilities.
- Governor Abbott issues a video and executive order announcing expanding openings for services and businesses in hospital regions with low COVID-19 hospitalizations.
- Governor Abbott travels to Lubbock to hold a press conference with local officials and provide an update on the distribution of bamlanivimab, a monoclonal antibody therapy for COVID-19.
- Governor Abbott and DSHS announce guiding principles for Texas' COVID-19 vaccine allocation process expected to begin as early as December.
- Governor Abbott shares news of the arrival of the initial doses of COVID vaccines in Texas: “A historic moment for the Lone Star State and our nation. The #COVID19 vaccine is now on the ground in Texas and is being swiftly distributed to health care workers across the state.”
- Governor Abbott hold a press conference (No. 36) to provide an update on the statewide COVID-19 vaccine distribution; joined by Dr. Hellerstedt and Chief Kidd.
- Governor Abbott holds a press conference (No. 37) in Arlington where he provides an update on Texas' COVID-19 vaccine distribution efforts; he also tours the mass COVID-19 vaccination site.
- Governor Abbott and DSHS announce that Texas has administered more than 1 million COVID-19 vaccine doses, exactly one month after the first doses arrived, making Texas the national leader.
- Governor Abbott holds a roundtable discussion at Houston Methodist Hospital followed by a press conference (No. 38) and provides an update. More than 1.7 million vaccine doses have been delivered to providers across Texas. Texas has already administered over 1.3 million doses that have been successfully reported into the state’s immunization registry. Texas has also provided 487,500 doses for nursing homes and long term care facilities. And the State has also established additional vaccine hub locations, bringing the total number to 77.
- Governor Abbott delivers a televised 2021 State of the State address, where he updates on vaccine progress throughout the state and highlights his healthcare priorities for the legislative session.
- Governor Abbott holds a press conference (No. 39) in Corpus Christi where he announces the statewide Save Our Seniors initiative to vaccinate homebound seniors across Texas.
- Governor Abbott holds a roundtable and press conference (No. 40) to discuss the need for COVID-19 liability protections for businesses that operated safely throughout the pandemic.
- Governor Abbott announces 10 million COVID-19 vaccines administered in Texas.
- Governor Abbott announces Texas to receive record 2.5 million doses of COVID-19 vaccine. Texas has now administered more than 11.8 million doses; nearly 7.8 million people have received at least one dose, and more than 4.3 million are now fully vaccinated. Among Texas seniors, more than two-thirds have received at least one dose, and nearly half are now fully vaccinated.
- Governor Abbott announces a new record number of COVID vaccines given to Texans in one day; 70% of seniors age 65 and above and 50% of Texans age 50-64 have received a COVID shot.
- DSHS launching the next phase of its campaign encouraging Texans to be vaccinated against COVID-19.
- Governor Abbott announces Texas surpasses 19 million COVID-19 vaccinations; more than 75% of seniors have received a shot; and more than half of all Texans over 15 have received a shot.
- Governor Abbott announces 20 million COVID-19 vaccine doses administered in Texas.
- Governor Abbott announces Texas surpasses 22 million COVID vaccine shots administered; almost 80% of seniors have received a shot.
- Governor Abbott announces over 11 million Texans are fully vaccinated—that’s over 45% of eligible Texans; 70% of Texans 65 and over are fully vaccinated.
- DSHS urges Texans to get fully vaccinated to combat the easier-spreading Delta variant. Available COVID-19 vaccines offer protection against variants; getting both doses increases protection.
- DSHS launches campaign focused on family vaccinations and the importance of vaccinating younger Texans age 12 and up.
- TEA issues back-to-school guidance and options for parents.
- Governor Abbott, TDEM, DSHS and other state agencies continue to promote the Texas mobile COVID-19 vaccination program.

- DSHS announces over 60% of eligible Texas have received at least one vaccine dose; 12 million are fully vaccinated.
- Governor Abbott releases PSA encouraging Texans to stock up on school supplies on Tax-Free Weekend and get COVID-19 vaccines ahead of the new school year.
- Governor Abbott announces actions to mitigate the recent rise in COVID-19 cases in Texas: increasing health care facility staffing and capacity, expanding antibody infusion centers, and increasing vaccine availability.
- As of December 31, 2021, Governor Abbott has conducted 40 press conferences related to the State's COVID-19 response, plus a televised State of the State address and more than 500 local, regional and national media interviews, commencing February 27, 2020, six days prior to the first confirmed case in Texas. The Governor has also posted a series of video announcements and PSAs online, and continues to update on milestones reached through social media channels.

MITIGATING THE SPREAD IN TEXAS COMMUNITIES

- In January 2020 at the Governor's direction, DSHS begins regular posting of preventative hygiene steps; these social posts are amplified by state agencies.
- At the Governor's direction, capacity is added at the Texas Center for Infectious Disease to accept mildly symptomatic to asymptomatic patients from the JBSA-Lackland repatriate cohorts and relieve anticipated pressure on San Antonio hospitals.
- Governor Abbott sends a letter to the Centers for Disease Control and Prevention (CDC) demanding improved release protocols for individuals under federal quarantine at Lackland.
- On March 5, Governor Abbott announces the launch of statewide testing capabilities.
- Governor Abbott is briefed by the Texas Military Department on preventative health measures for Texas National Guard personnel.
- The Governor restricts non-critical visits to state-supported nursing homes, hospitals, prisons and other facilities.
- Governor Abbott holds a press conference at the San Antonio Emergency Operations Center to update on the state's actions and the San Antonio drive-through coronavirus testing site. He announces other major cities are working to implement drive-through testing sites to be managed at the local level.
- Governor Abbott allows virtual and telephonic open meetings to ensure government transparency.
- Governor Abbott announces Texas will receive an initial 15,000 testing kits from FEMA, in addition to testing capabilities already announced.
- Testing by public health authorities and private providers continue to increase weekly, following prescribed protocols for eligibility.
- Governor Abbott postpones scheduled district and primary runoff elections in conjunction with the state's ongoing efforts to mitigate the spread of COVID-19.
- Governor Abbott issues executive orders prohibiting social gatherings of 10 or more, dine-in restaurants and bars, and non-critical visits to nursing homes, and temporarily closing schools.
- Governor Abbott mandates a 14-day self-quarantine for air travelers from NY, NJ, CT and New Orleans. That executive order is expanded to air travelers from additional hotspot locations, California, Louisiana, Washington, Atlanta, Chicago, Detroit and Miami, and to travel by car from Louisiana.
- Governor Abbott prohibits the release of individuals in county and municipal jail custody who are deemed a danger to society.
- Governor Abbott issues an executive order implementing Essential Services and Activities Protocols for the entire state of Texas to minimize non-essential gatherings and in-person contact.
- Governor Abbott provides a region-by-region update on medical and PPE supplies acquired by the Supply Chain Strike Force and distributed across Texas.
- Governor Abbott announces a 24-hour operation, staffed in part by Texas National Guard members, will produce 2 million facemasks per week for distribution in Texas.
- Governor Abbott regularly updates the public at press conferences on the distribution of PPE supplies to communities across Texas.

- Governor Abbott announces an executive order closing schools through the academic year to mitigate the spread, though teachers may return for in-classroom video instruction.
- Governor Abbott announces the Texas National Guard will be mobilizing more than 1,200 personnel as part of mobile testing teams in various parts of the state.
- Governor Abbott announces an online COVID-19 test collection map to help Texans locate test collection sites within their community.
- Governor Abbott announces Surge Response Teams are deployed across the state to provide personal protective equipment, testing supplies, onsite staffing and assessment assistance to nursing homes, prisons, packing plants and other facilities to contain COVID-19 flare-ups.
- Governor Abbott directs TDEM, DSHS and HHSC to test all nursing home residents and staff in Texas.
- Governor Abbott and Texas National Guard launch disinfection mission for nursing facilities.
- Governor Abbott and TDEM announce that local fire departments in Texas are partnering with local public health authorities to provide testing in nursing homes throughout the state.
- Governor Abbott and CVS Health announce 44 new COVID-19 drive-thru test sites in Texas, with plans to have over 80 drive-thru testing locations in Texas by the end of May.
- Governor Abbott directs HHSC to expand COVID-19 testing to all patients, residents and staff at the 23 state-operated inpatient psychiatric hospitals and living centers throughout Texas.
- Governor Abbott suspends in-person visitations in all county and municipal jails in Texas. This restriction does not apply to visitation by an attorney meeting with a client or a religious leader or member of the clergy. This executive order adds another layer of defense to contain COVID-19 hot spots, prevent community spread and protect staff and inmates.
- At Governor Abbott's direction, Surge Response Teams were in 60 communities across Texas over Memorial Day weekend to tackle COVID-19 clusters.
- Governor Abbott announces TDEM is coordinating with local officials across the state to rapidly expand COVID-19 testing in underserved and minority communities disproportionately impacted by the virus.
- Governor Abbott directs HHSC to enact emergency rules that provide strict health and safety standards and procedures for childcare centers in Texas.
- On June 25, Governor Abbott announces a pause in further phases to open Texas as the state responds to the recent increase in positive COVID-19 cases and hospitalizations.
- Governor Abbott issues an executive order limiting certain businesses and services to contain the spread of COVID-19. The targeted, measured directives in the executive order are based on links between certain types of businesses and services and the recent rise in positive cases throughout the state.
- Governor Abbott announces that the federal government has granted his request to extend operations of Community-Based Testing Sites across Texas while surging resources to Dallas and Houston.
- Governor Abbott and HHSC announce \$9 million in federal funding for nursing facilities to implement infection control projects to protect residents and staff from the spread of COVID-19.
- On July 2, Governor Abbott issues Executive Order 29 requiring all Texans to wear a face covering over the nose and mouth in public spaces in counties with 20 or more COVID-19 cases, with few exceptions.
- Governor Abbott issues a proclamation giving mayors and county judges the ability to impose restrictions on some outdoor gatherings of over 10 people.
- Governor Abbott announces HHS will provide free COVID-19 testing in Edinburg as part of the federal government's surge testing efforts in hot spots.
- Governor Abbott announces that Omnicare, a CVS Health company, is partnering with the State of Texas to provide COVID-19 point-of-care testing for assisted living facilities and nursing homes.
- Governor Abbott announces that additional federal resources have been activated and are being sent to the Houston region to combat COVID-19.
- Governor Abbott announces that HHS has extended federal support of Community-Based Testing Sites in Dallas and Houston through July 31, 2020.
- Governor Abbott announces that the Department of Defense (DOD) has activated medical teams from the U.S. Army and U.S. Navy to assist the state's efforts to combat COVID-19.
- Governor Abbott announces that the DOD will surge resources to Rio Grande Valley hospitals to help combat COVID-19.
- Governor Abbott announces that the DOD has sent five U.S. Navy teams to four locations in South and Southwest Texas to help combat COVID-19.

- The Office of the Governor announces that DOD has deployed an 85-person U.S. Army Reserve Urban Augmentation Medical Task Force to Corpus Christi and Victoria to help combat COVID-19.
- Governor Abbott announces that the McAllen Convention Center will be converted into a health care facility to help meet the region's hospital capacity needs, and that DOD has deployed two 85-person U.S. Army Reserve Urban Augmentation Medical Task Forces to Harlingen and Edinburg.
- Governor Abbott announces that the Houston Astros and TDEM have teamed up to open a free COVID-19 testing site at Minute Maid Park in Houston.
- Governor Abbott announce that HHS has established four temporary COVID-19 surge testing sites in Harris County. Each location will be able to process 1,250 tests per day. Now extended through August 29.
- Governor Abbott announces that HHS is partnering with the state and local officials to offer temporary COVID-19 surge testing in McLennan County.
- Governor Abbott and TDEM announce delivery of 39 pallets of hand sanitizer for use at polling locations to mitigate the spread of COVID-19.
- Governor Abbott encourages health care providers to enroll in DSHS' Immunization Program in preparation for COVID-19 vaccines once available.
- Governor Abbott announces that DSHS and TDEM have surged medical personnel and PPE to El Paso to help combat COVID-19 and support hospitals in the region.
- Governor Abbott, the Texas Education Agency (TEA) and TDEM announce the creation of a COVID-19 Rapid Testing Pilot Program for Texas school systems to mitigate the spread of COVID-19 on campuses.
- Governor Abbott announces that DSHS and TDEM have surged medical personnel, medical supplies and PPE to the Panhandle and South Plains areas to support hospitals in their COVID-19 response.
- Governor Abbott announces that DSHS and TDEM are surging additional medical personnel and equipment to the El Paso region to assist with the community's COVID-19 response.
- Governor Abbott announces that TDEM is establishing an alternate care site in El Paso to expand hospital capacity in the region and assist with the community's COVID-19 response.
- Governor Abbott announces that HHS has activated additional federal resources to help combat COVID-19 in the El Paso region.
- Governor Abbott announces that DOD has deployed three U.S. Air Force Medical Specialty Teams to assist the state's efforts to combat COVID-19 in El Paso.
- Governor Abbott today announced that the State of Texas will participate in the Pharmacy Partnership for Long-Term Care Program, a federal program to vaccinate residents and staff of long-term care facilities.
- Governor Abbott shares news of the arrival of the initial doses of COVID vaccines in Texas. In all, Texas was allocated 224,250 doses of vaccine to be shipped to 110 providers across the state in Week 1.
- Governor Abbott visits the White House where he attends a briefing on Operation Warp Speed with the VP and other state and federal leaders.
- DSHS announces Texas to receive 620,000 doses in Week 2 of COVID-19 vaccine distribution.
- DSHS announces nearly 380,000 doses sent to providers in Week 3 of COVID-19 vaccine distribution.
- DSHS announces Texas to provide COVID-19 vaccine for large vaccination hubs; additional vaccine to be distributed to smaller providers in other parts of the state.
- DSHS announces more than 325,000 first doses sent to providers in Week 4 of COVID-19 vaccine distribution; 224,250 second doses sent to complete vaccination for first week recipients.
- Governor Abbott and DSHS announce that Texas has administered more than 1 million COVID-19 vaccine doses, exactly one month after the first doses arrived, making Texas the national leader.
- DSHS announces Texas will receive 333,650 first doses and 509,400 second doses of COVID-19 vaccine for the week of January 18.
- Governor Abbott and TDEM announce the creation of the State Mobile Vaccine Pilot Program to ramp up COVID-19 vaccination efforts in underserved areas of Texas.
- Governor Abbott announces that the DOD has deployed 80 military medical personnel from the U.S. Army, U.S. Navy, and U.S. Air Force to assist in the COVID-19 response in Abilene, Lufkin, and Eagle Pass.

- Governor Abbott and DSHS announce that Texas set a new daily record for vaccinations—more than 133,000, and as of January 28, 2021 has administered 2,057,000 doses. Texas administered its first million doses in a month and its second million in two weeks.
- Governor Abbott announces that TDEM, in partnership with the Texas Military Department, is deploying State Mobile Vaccination Teams to five additional underserved counties this week: Motley, Glasscock, Kenedy, Terrell, and McMullen.
- Governor Abbott announces that FEMA is establishing mass community vaccination sites in the DFW Metroplex and Houston.
- As of February 19, 2021, Texas providers have administered more than 4.3 million doses of CDC-provided vaccine. More than 3 million have received at least one dose; almost 1.3 million have been fully vaccinated.
- Governor Abbott announces the statewide Save Our Seniors initiative to vaccinate homebound seniors across Texas.
- DSHS announces COVID-19 vaccine coming to Texas continues to increase; state surpasses 5 million doses administered as of February 26, 2021.
- Governor Abbott announces that TDEM, DSHS and the Texas Military Department have announced 26 participating counties for the first week of the Save Our Seniors initiative.
- DSHS notifies all vaccine providers that they should immediately include school and child care workers in vaccine administration.
- DSHS announces Texas to receive more than 1 million COVID-19 vaccine first doses for the next week.
- Governor Abbott announces 34 counties participating in the second week of the Save Our Seniors COVID-19 vaccine initiative.
- DSHS announces Texans 50 and older eligible to be vaccinated beginning March 15.
- DSHS announces Texas to receive more than 800,000 COVID-19 vaccine first doses for the next week; 5 million people vaccinated as Texas expands eligibility.
- Governor Abbott announces third week of Save Our Seniors vaccination initiative in 28 counties.
- DSHS announces Texas to receive more than 900,000 COVID-19 vaccine first doses for next week; more than 3 million people fully vaccinated.
- Governor Abbott announces fourth week of Save Our Seniors vaccination initiative in 25 counties.
- DSHS announces Texas to open COVID-19 vaccination to all adults on March 29; DSHS directs providers to continue to prioritize older adults.
- Governor Abbott announces outreach partnership to increase COVID-19 vaccinations among seniors.
- Governor Abbott announces ten million COVID-19 vaccines administered in Texas.
- DSHS launches Texas public health vaccine scheduler; registration available for vaccine clinics by DSHS and some other public health entities.
