

DEADLINES: ENTERPRISE ZONE PROGRAM

Economic Development & Tourism | Office of Texas Governor Greg Abbott

For a business to receive state tax incentives under the Texas Enterprise Zone Program, the local community must nominate it for enterprise project designation. Each local community has a limited number of projects allocated and the state has a maximum number of 105 that can be awarded per biennium. Applications are accepted quarterly with the deadlines on the first working day of March, June, September, and December. Applications received after 5:00 p.m. for each quarterly application deadline date will not be considered for that current round.
