- Payments to loan-out companies are acceptable as long as the employee provides a valid DTR.
- Only employer paid taxes and fringes are eligible. Employee taxes and payroll deductions are not eligible.
- Employer paid benefits for employee dependents are not eligible.

Box/Kit rentals, mileage, car allowances, housing allowances, and per diem are also eligible if paid to a valid Texas resident and the appropriate backup documentation is provided (e.g. box/kit invoices, mileage logs, signed per diem sheets).

Eligible Fringes Include:

In addition to completed DTR forms for Texas residents, one type of backup documentation below is required for each submission. Applicants may submit more than one type of backup documentation for their project.

**BENEFITS** paid separately from payroll are eligible if appropriate backup is provided and the costs are broken out by employee per pay period.

**SELF FUNDED MEDICAL PLANS or DIRECT CLAIMS PAID** are ineligible.

For **W/C** to be eligible, the policy must be procured through a TX insurance company or agent.

**BONUSES** paid to crew members are eligible only if they are project related. Bonuses given for relocation are considered overhead and are not eligible. An explanation of project related bonuses must be provided.

**LOCATION EXPENSES** are eligible but the production must provide a copy of the fully executed signed location agreement or the rental invoice as backup documentation in addition to proof of payment. Check requests are not valid backup documentation as they are generated by the production and not the vendor.

**PRE-PRODUCTION COSTS** submitted for video games cannot exceed 30% of the total spend eligible for the incentive.

**APPLICANTS** hiring a local company to produce their project must provide the appropriate layers of backup for the audit. Submissions will not be accepted with “single vendor” documentation. Related party agreements or production service agreements must also be provided.

FOOD PURCHASES and restaurant receipts must be itemized to ensure that alcohol is not submitted for the incentive.

PURCHASES submitted with returned items must submit the return receipt in order for the submitted amount to be eligible.
CAST & CREW LISTS

To document that projects meet the minimum 70% residency requirement, a detailed Crew List and Cast List must be included as part of the incentive submission. All individuals, both Texas residents and non-residents, paid as crew and cast for work in Texas should be included. Cast and crew who did not work in Texas should not be included.

CREW LIST

A detailed Crew List must include all crew members paid for work in Texas including:

- Employees paid by the applicant through payroll
- Independent contractors hired for traditional crew positions or production jobs
- Any crew person listed on a call sheet with a call time
- Any person paid to create, modify or test assets for a digital media project

Executive Producers not working on location will not be counted as crew; neither will those positions not paid by the production (e.g. Motorhome drivers required on set but paid by the vendors).

CAST LIST

A detailed Cast List must include all cast members paid for work in Texas including:

- Cast and extras paid through payroll
- Cast and extras hired as independent contractors
- Cast and extras paid cash
- Cast paid for motion capture work
- Cast paid for voiceover (VO) work
- Stand-ins and background performers paid as extras.
LOCATION AND PRODUCTION SCHEDULE DOCUMENTATION

Projects are required to complete 60% of their total production days in Texas. Applicants must submit copies of all call sheets, production reports, and/or a production schedule. Digital media (animation, video game, VFX, or XR) projects must submit their studio location and/or milestone calendar in addition to their production schedule.

If production occurs outside Texas on the same calendar day as in-state production then the project will receive partial credit for that day toward the 60% requirement.

UNDERUTILIZED AND ECONOMICALLY DISTRESSED AREAS

Productions using locations in certain areas of the state may be eligible for a bonus of 2.5%. Projects that apply, will receive the bonus if 25% of their total production days occur in an underutilized or economically distressed area.

- Underutilized areas are all locations outside the 30 mile radius zones of Austin and Dallas.
- Economically distressed areas exist within the 30 mile radius of either Austin or Dallas and are noted in purple on the maps (link below).
- Productions can search locations or potential locations in order to determine their underutilized and economically distressed qualifications.
- View maps specifying these areas designations at: govtexas.gov/film/page/underused_areas.

Calculating Time in Underutilized and Economically Distressed Areas:

- When calculating underutilized and economically distressed production day percentages all locations used on a single day will be counted equally regardless of time spent at the location, including Second Unit locations.

  Ex.: If the main unit shoots in three locations and the 2nd Unit in one then four locations will be credited for that day. If two of the four locations are underutilized then .50 of a day will go toward the 25%.

- Locations must be identified on Call Sheets or Production Schedules.

Productions having one or more shooting locations not located in an underutilized or economically distressed area but that have a basecamp located in a qualifying area serving those locations may be eligible to receive credit for the underutilized and economically distressed bonus.

The basecamp location must appear on the call sheets and production reports and the applicant must have paid financial compensation for the basecamp in order to be eligible.
THE SUBMISSION PROCESS AND REQUIREMENTS

Submit final qualifying documentation to the TFC digitally via our online portal for secure file transfer. Call or email to request a link. Applicants have 60 days from their final Texas expenditure to turn in their documentation.

REQUIRED DOCUMENTATION FOR FINAL SUBMISSION

- A completed and signed Verification Worksheet for the project.
- Completed Texas Expenditures Worksheets in Excel. See Worksheet Instructions.
- Documentation of spend for all submitted expenditures including payroll, vendor / AP, petty cash, credit card, and purchase card, if applicable.
- Declaration of Texas Residency (DTR) forms.
- Detailed crew / cast lists including all crew / cast members paid for work in Texas. See Worksheet Instructions.
- Final production reports, call sheets, production schedule.
- Acceptable Final Content: A digital copy of the film, game, or commercial OR a link to content that DOES NOT expire.
- Marketing materials and screenshot of the Texas Film Commission logo in final credits, if not already submitted.

PROCESS AND ORGANIZATION FOR FINAL SUBMISSION

Applicants may submit their projects electronically via the online portal for secure file transfer. Applicants ready to submit must call or email the TFC to request the transfer link. Links are valid for 7 days. Backup documents must be scanned as PDF files and clearly labeled.

Payroll
Third party payroll registers should be scanned and clearly marked as crew or cast payroll. A PDF summary register for the run of the production is preferable, but if separate registers are submitted for each pay period, dates need to be clearly marked.

Non-third party payroll documents should be scanned and submitted in separate folders organized by employee. Each employee folder should include all timecards or invoices, check copies, kit rental invoices, mileage forms, and other applicable documentation.

Declaration of Texas Residency (DTR) forms
DTRs should be submitted in PDF format, organized alphabetically by last name with separate files for crew, cast, and extras.
PROCESS AND ORGANIZATION FOR FINAL SUBMISSION (CONT’D)

Vendor
Vendor documentation can be submitted in one of two ways: invoices/receipts and proof of payment can be submitted by vendor in individual files or as one large PDF with the invoice followed by proof of payment.

If vendor documentation is submitted in one large PDF file, the order of the scanned documents must correspond EXACTLY to the order in which expenditures are submitted on the vendor Excel worksheet. Proof of payment scanned separately from invoices and receipts may not be accepted if it cannot be reconciled easily.

Petty Cash
Petty cash expenditures should be scanned and submitted by individual transaction or by envelope and employee, with each employee in a separate file. Receipts scanned by internal reference number or grouped by coding will not be accepted.

Documentation Folders
Scanned documents should easily reconcile with the submitted Excel worksheets; if they do not then the applicant will be asked to rescan and organize them appropriately. This will delay the audit.

Documentation must be organized into folders and labeled as follows. Not all applicants will utilize all subfolders.

- Verification Worksheet
- Excel Worksheets
  - Payroll Worksheets
  - Non-Wage Worksheets
  - Locations Lists
  - Cast and Crew Lists
- Residency Backup
  - Crew DTRs
  - Cast DTRs
  - Extras DTRs
- Payroll Backup
  - Third Party Payroll Reports
  - Non Third Party Payroll Backup
  - Box/Kit Rental Backup
  - Mileage logs
- Non-Wage Backup
  - Vendor Backup
  - Petty Cash Backup
  - Credit Card Backup
  - Journal Entry / Other Backup
- Production Day Backup
  - Call Sheets
  - Production Reports
  - Production Schedules / Calendars
- Final Content
- Logo Screen Capture and Marketing Materials
- Additional Documentation

Submissions must be complete and received in their entirety. The TFC will not accept an incomplete or partial project file submission for audit.
