AMBASSADOR'S CORNER

We always talk about how superheroes are outstanding because they can fly through the air to save someone or have super strength to lift cars off of trapped kids, but the real heroes that inspire all these crazy stories are the policemen, firefighters, and first responders that go out of their way, risking their lives for strangers, so that our communities are safe. Often their work goes unnoticed or is discriminated against for errors or misunderstandings of a few. Here at Paris High School we are working to change negative or ignored reputation of these brave men and women that guard our streets, communities, and lives with every ounce of their time.

Paris High School hosts an annual Gunz -N- Hozes Fundraiser that allows our students to work closely with these honorable men and women. This event is a huge basketball game where the public is invited to come and watch the friendly rivalry of firemen and police men. Our Crime stopper students help with the concession stands, selling t-shirts, and helping auction off bake sale items at half time. This program is a great way to let the community see and interact with our heroes creating a positive impression and relationship between them while raising funds for these everyday heroes. If you would like information on how to host your own basketball fundraiser contact Amber Musgrove at amber.musgrove@parisisd.net
