Universal Changing Places Story:

My son, Greyson was the INSPIRATION for Universal Changing Places; and it became my MISSION to make our Restrooms MORE ACCESSIBLE for EVERYONE!
Our Reality!
This Must Change!!!
Who Needs Them:

- People who are non-ambulatory or have self-care issues.
- The elderly or people with incontinence issues.
- People who have Catheters or Colostomies.
- Mothers of toddlers, who are too large for a Baby Changing Table.
Changing-Places Restroom in the UK - The Vision
HISTORY:

• Campaign began in Britain in 2006 – Changing Places.org
• Campaign started in Florida in 2015 – Universal Changing Places.
• Two Tables installed in Tallahassee, Florida - October 2016 – Donald L. Tucker Civic Center. First Civic Center to add a Universal Changing Place in the US. Thank you, President Thrasher.
• One table installed at Doak Campbell Stadium 2016 at Florida State University. First Stadium to add a Universal Changing Place in the US.
• Florida Department of Transportation adds them to their building program – 2016.
• Orlando International Airport adds them to their Concourse – 2016. They added 8 across their Concourse. Now Airports across the US are adding Universal Changing Places.
• First Rest Area in the country with powered tables opens in Monticello, Florida in 2017. Florida now has 12 and is adding more each year.

Why we needed a Building Code:

- Regulate type of table used.
- Set Guidelines for Installation.
- Set Size and Weight Requirements.
- To Keep this From Happening – Fixed height table with no side rail - Safety Issue!
