## Entrepreneurs with Disabilities Day

October 17, 2024

*Texas is proud of the many entrepreneurs who have built our thriving economy. Renowned throughout the world as an economic powerhouse, the Lone Star State is a place where businesses of every size can thrive due to our reasonable regulations, low taxes, and unparalleled quality of life. We admire our innovative entrepreneurs, including those with disabilities, for their dynamic spirit, and we will always offer the support they need to continue building strong businesses.*

*The Lone Star State is committed to helping entrepreneurs with disabilities access the resources they need to turn their dreams into reality. By reducing the obstacles that these enterprising men and women face, we prove that it is not our challenges that define us, but rather how we overcome them.*

*First Lady Cecilia Abbott joins me in encouraging all Texans to observe Entrepreneurs with Disabilities Day with appropriate programs and activities.*

*In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin this the 9th day of October, 2024.*

Greg Abbott  
Governor of Texas
