5.1. PROJECT SUMMARY. The State of Texas is required to submit an annual Statewide Cost Allocation Plan for approval by the U.S. Department of Health and Human Services, Division of Cost Allocation (“DHHS”). The Contractor is required to prepare these plans and other related deliverables as described in the Contract and in RFP No. 301-8-0276, with services divided into two phases for the fiscal years ending August 31, 2019 and August 31, 2020, respectively.

The first phase is concerned with the development of fixed cost allocation plans for use in each respective fiscal year that comply with the provisions of the OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200) (“Uniform Guidance”).

The second phase for each respective fiscal year is concerned with the use of those costs for each respective fiscal year to develop, submit, and secure approval for claims based on them. In addition, the Contractor will identify other statewide administrative overhead costs (“Section II Costs”) that are not included in the respective federal cost allocation plans, but which are nevertheless legitimate indirect costs. The Contractor will prepare a second full cost allocation plan for each respective fiscal year using these full cost concepts.

After preparation and submission of the Section I Statewide Cost Allocation Plan and the Section II full cost allocation plan information for each respective fiscal year, the Contractor will be required to continue to work to obtain final federal approval, implement the Statewide Cost Allocation Plan, and provide all necessary assistance to the OOG regarding any required follow-up throughout the remainder of the Term of the Contract. Services shall include the successful negotiation and approval of each respective Statewide Cost Allocation Plan with DHHS.

Contractor agrees to provide services to OOG to the best of Contractor’s ability and agrees to devote such time, effort and resources, in Contractor’s reasonable discretion, which are necessary to complete the projects and services under this Contract.

- b. Subsection 5.2.1 is amended to read as follows:

5.2.6 The Contractor will provide guidance and support to the OOG and State central services agencies to review and implement the Statewide Cost Allocation Plan in order to maximize the recovery of costs from federal and other non-general fund sources, and accumulate and analyze any data that is required to implement the fixed and full cost allocation plans.

5.2.8 The Contractor may propose, and may also be required from time-to-time by the OOG, to provide additional or *ad hoc* services that are generally within the scope and intent of the services described herein that are reasonable and necessary to perform and carry out the OOG's stated goals and objectives relating to Statewide Cost Allocation Plan services.

5.3 Performance Tracking. The OOG will monitor the performance and progress of the Contractor's Work Plan and the Statewide Cost Allocation Plan throughout the Term of the Contract, including any renewals or extensions. The Contractor must maintain frequent and

regular communication with the OOG throughout the Term of the Contract to ensure that all required contract deadlines and goals are timely met. The Contractor must dedicate a U.S.-based project manager to oversee all activities and services performed and provided under the Contract, including responsibility for the management, accounting for the entire contract, billing, and reporting. The project manager will be the OOG's primary day-to-day contact. Any substitution of project team members by Contractor requires pre-approval and acceptance by the OOG.

5.5 Schedule for Performance of Services. Time is of the essence in the rendering of services required by this Contract. The OOG may require Contractor to perform tasks or services according to a date sensitive schedule. All deliverables shall be prepared by the Contractor in anticipation that all required deadlines established by the OOG or applicable authorities will be met. Submission of the cost allocation plan is generally required within six (6) months prior to the beginning of each fiscal year to which each applies. If the Contract is renewed or extended, the OOG reserves the right to establish report deadlines applicable to any Statewide Cost Allocation Plan to be prepared by Contractor for subsequent fiscal years.

SECTION 6. FINANCIAL TERMS AND CONDITIONS.

6.1. Maximum Contract Amount. The OOG's maximum liability to the Contractor, in consideration for the full, satisfactory and timely performance of all its duties, responsibilities and obligations as set forth in the Contract or arising out of any performance as the result of this Contract, shall not exceed **FORTY THOUSAND FOUR HUNDRED AND NO/100 DOLLARS (\$40,400.00)** for the initial Term of Contract beginning the date of contract execution through August 31, 2019. The Contractor shall have no entitlement to payment of the maximum liability amount. Any increase(s) in this amount for subsequent contract renewals or extensions, or as a result of increases in available funding shall require a written amendment to the Contract, which will specify the new maximum liability amount.

6.2. Increase in the Maximum Contract Amount. Contractor shall monitor the costs of all services under the Contract to ensure that the amount of each new invoice added together with all previous invoices will not exceed the Maximum Contract Amount. Contractor shall provide thirty (30) calendar days advance notice to the OOG in the event that the cost of services is anticipated to exceed the Maximum Contract Amount. Any increase(s) in the Maximum Contract Amount as a result of increases in funding shall be approved via a formal contract amendment executed by the Parties. Any increase in the Maximum Contract Amount is subject to the availability of funds in accordance with Section 6.3.

6.3. Availability of Funds. Contractor agrees that nothing in this Contract will be interpreted to

create an obligation or liability of OOG in excess of the funds delineated in this Contract. Contractor agrees that funding for this Contract is subject to the actual receipt by OOG of funds appropriated to OOG. Contractor agrees that the funds received from OOG are limited by the term of each state biennium and by specific appropriation authority to and the spending authority of OOG for the purpose of this Contract. Contractor agrees that notwithstanding any other provision of this Contract, if OOG is not appropriated the funds or if OOG does not receive the appropriated funds, or if the funds appropriated to OOG are required to be reallocated to fund other state programs or purposes, then OOG may terminate the Contract without cost or penalty.

6.4. Purchase of Services/Utilization. The OOG cannot and does not guarantee the purchase of particular level, quantity, or utilization of any services during the Term of Contract (including any optional Contract renewal or extension periods). All quantities of services and work products shall be purchased upon OOG's request, in "as-needed" quantities, on an "as-needed" basis, as determined by OOG.

6.5. Compensation to Contractor. The Contractor is expected to provide all services described herein for the fees as set forth in the Contractor's Compensation Schedule (Tab 6/Exhibit C to Contractor's Response to RFP No. 301-8-0276). Contractor will not be compensated for any time expended or expense incurred before the effective date of this Contract. The amount(s) stated in the Compensation Schedule shall be a fixed fee amount to be charged by the Contractor to fully-compensate the Contractor, and supporting subcontractors if applicable, for the costs of all of the Contractor's services and administrative expenses required to complete work under this Contract.

The Contractor understands and agrees that the amounts set forth the Contractor's Compensation Schedule shall cover the costs of all services, including, but not limited to: all Statewide Cost Allocation Plan services; required reports; labor; project and contract management; accounting and billing services; administrative support; legal services and fees; facilities; equipment; and all incidental and normal business operating expenses, such as local and long distance phone calls (landline and mobile), facsimile, website development and hosting, publication costs, software or other licensing; travel, per diem, postage, local courier service, internal copying, supplies, materials, parking and other ongoing services performed or required for routine performance.

6.6. Restrictions on Reimbursement of Expenses. Because all costs of services and expenses are expected to be included within the Contractor's Compensation Schedule, the OOG will generally not reimburse Contractor for any expenses incurred in the performance of services. However, the OOG may, in its sole discretion, authorize the reimbursement of certain unanticipated expenses in accordance with the following:

6.6.1 Pre-Approval Required. Contractor may only be reimbursed for actual expenses that are pre-approved in writing by the OOG. Contractor must provide the OOG with a written justification to substantiate how any expenses proposed for pre-approval are reasonable and necessary for the performance of required services under the Contract, and could not have been reasonably anticipated as part of the fees set forth in the Contractor's Compensation Schedule.

6.6.2 No Mark-up. Contractor shall not be reimbursed for any mark-up or other overhead

costs.

6.6.3 Expenses prohibited by Texas law. The OOG will not reimburse Contractor for any cost of expenses incurred by the Contractor relating to an expense for which agencies of the State of Texas are prohibited by law or by the policies and procedures of the OOG or the Comptroller from paying.

6.7. Contract Issuance. No authorization for the purchase of any services is provided until the Contractor receives a fully-executed Contract or Contract Amendment as applicable. Upon notice from the OOG that a Contract or Contract Amendment has been properly executed, the Contractor shall identify the contract manager authorized to receive direction from OOG, to manage the work being performed, and to act on behalf of the Contractor. The Contractor shall ensure that its contract manager, or his or her authorized designee, is available at all times for consultation with OOG.

6.8. Delivery. All deliveries of the goods or services authorized under the Contract shall be made in accordance with the Statement of Services to be Performed. No substitutions or cancellations shall be permitted without prior written approval of OOG. The Contractor shall keep the OOG advised at all times of the delivery status of goods and services to be provided. If the Contractor foresees problems, delays, or adverse conditions that may prevent the Contractor from meeting delivery requirements, the Contractor shall give not less than ten (10) business days' advance written notice to the OOG prior to the due date for any deliverable that explains the reason(s) for the delay and proposes an alternate delivery for OOG approval. The OOG has the right to accept or reject the proposed alternative delivery in its sole discretion. Default in promised delivery, without accepted reasons, authorizes the OOG to purchase goods or services elsewhere and to charge to the defaulting Contractor the full amount of any increase in costs associated with procuring replacement goods or services. Default in Contractor's delivery may result in the exercise of available remedies and/or termination of the Contract for reason of default.

6.9. Acceptance of Work Performed. All work performed by the Contractor shall be accepted in writing by an authorized official of the OOG before payment will be approved. Acceptance shall be based upon Contractor's compliance with all applicable Contract requirements. OOG will not pay for work which is of poor quality and/or fails to fully comply with the Contract requirements. Should the OOG determine, in its sole discretion, that the Contractor's work is of poor quality and/or Contractor fails to perform services in a manner that complies with the Contract requirements, the OOG may require the Contractor to promptly re-perform the services in conformity with the Contract requirements at no additional cost to the OOG, or the OOG may reject payment of invoices for Contractor's work without penalty or further obligation to the Contractor. The OOG may further require new performance, a refund, or offset in the event that work is discovered after payment has been made to be either unauthorized or below the accepted quality level. Failure to perform work in compliance with all Contract requirements may result in termination of the Contract for reason of default.

6.10. Invoicing and Payment. Vendor will be paid in three installment payments, which shall be invoiced as follows:

(1) The first installment, in the amount of \$24,240.00, shall be invoiced by the Vendor upon delivery of the drafts Statewide Cost Allocation Plan and full cost allocation plan as further described in Sections 5.2.1 and 5.2.2;

10.13. Intellectual Property Rights.

10.13.1 Ownership. As between the Contractor and the OOG, the Works and Intellectual Property Rights in the Works are and shall be owned exclusively by the OOG, and not the Contractor. The Contractor specifically agrees that all Works shall be considered "works made for hire" and that the Works shall, upon creation, be owned exclusively by the OOG. To the extent that the Works, under applicable law, may not be considered works made for hire, the Contractor hereby agrees that this Contract transfers, grants, conveys, assigns, and relinquishes exclusively to the OOG all right, title and interest in and to the Works, and all Intellectual Property Rights in the Works, without the necessity of any further consideration, and the OOG shall be entitled to obtain and hold in its own name all Intellectual Property Rights in and to the Works, subject to any exceptions with respect to pre-existing or third party rights as set forth below. Contractor and Contractor's employees shall have no rights in or ownership of the Works, documents or other products, results of services, or any other intellectual property of the OOG, other than the limited, non-exclusive right to use such property or tangible and intangible items solely for the purposes set forth in this Contract and only for the duration of such Contract.

10.13.2 Ownership of Prior Rights by the Contractor. All property and tangible or intangible items, including the Intellectual Property Rights therein, that were created, developed or owned by the Contractor prior to the issuance of this Contract shall continue to be exclusively owned by the Contractor, and the OOG shall have no ownership thereof, and no rights thereto, other than the limited, non-exclusive right to use such property or tangible or intangible items solely for the purposes set forth in this Contract. All intellectual property relating to the goods and/or services set forth herein or under the Contract, including the Intellectual Property Rights in those goods and/or services, that was created, developed or licensed by the Contractor prior to the issuance or the execution of the Contract, or during the term of the Contract, to the extent such intellectual property is not considered "Works" as defined above, but shall be, and is, licensed to the OOG on a non-exclusive, perpetual, irrevocable, royalty-free, worldwide basis, to allow the OOG or its designees to provide, and continue to provide, the goods and services set forth herein or under the Contract, including after the expiration or termination of the Contract.

10.13.3 Further Actions. The Contractor, upon request and without further consideration, shall perform any acts that may be deemed necessary or desirable by the OOG to evidence more fully the transfer of ownership of all Works to the OOG to the fullest extent possible, including but not limited to the execution, acknowledgement and delivery of such further documents in a form determined by the OOG. In the event the OOG shall be unable for any reason to obtain the Contractor's signature on any document necessary for any purpose set forth in the foregoing

sentence, the Contractor hereby irrevocably designates and appoints the OOG and its duly authorized officers and agents as the Contractor's agent and the Contractor's attorney-in-fact to act for and in the Contractor's behalf and stead to execute and file any such document and to do all other lawfully permitted acts to further any such purpose with the same force and effect as if executed and delivered by the Contractor.

10.13.4 Waiver of Moral Rights. The Contractor hereby irrevocably and forever waives, and agrees never to assert, any Moral Rights in or to the Works which the Contractor may now have or which may accrue to the Contractor's benefit under U.S. or foreign copyright laws and any and all other residual rights and benefits which arise under any other applicable law now in force or hereafter enacted. The term "Moral Rights" shall mean any and all rights of paternity or integrity of the Works and the right to object to any modification, translation or use of the Works, and any similar rights existing under the judicial or statutory law of any country in the world or under any treaty, regardless of whether or not such right is denominated or referred to as a moral right.

10.13.5 Injunctive Relief. The Contract is intended to protect the OOG's proprietary rights pertaining to the Works, and the Intellectual Property Rights therein, and any misuse of such rights would cause substantial and irreparable harm to the OOG's business. Therefore, the Contractor acknowledges and stipulates that a court of competent jurisdiction should immediately enjoin any material breach of the intellectual property, licensing, and confidentiality provisions of the Contract, upon a request by the OOG, without requiring proof of irreparable injury as same should be presumed.

10.13.6 Return of Works. Upon the request of the OOG, but in any event upon expiration or termination of this Contract, the Contractor shall surrender to the OOG all documents and things pertaining to the Works, including but not limited to drafts, memoranda, notes, records, drawings, manuals, computer software, reports, data, and all other documents or materials (and copies of same) generated or developed by the Contractor or furnished by the OOG to the Contractor, including all materials embodying the Works, any OOG confidential information, or Intellectual Property Rights, regardless of whether complete or incomplete. This Section is intended to apply to all Works made or compiled by the Contractor, as well as to all documents and things furnished to the Contractor by the OOG or by anyone else that pertains to the Works.

10.14. Informal Meetings and Dispute Resolution. The parties' representatives will meet as needed to implement the terms of this Contract and will make a good faith attempt to informally resolve any disputes. If the dispute resolution process provided for in Chapter 2260 of the Texas Government Code applies, it shall be used as the sole and exclusive process to resolve any claim for breach of this Contract made by Contractor. Neither the execution of this Contract nor any other conduct of or statements by any representative of the OOG relating to this Contract shall be considered a waiver of sovereign immunity.

10.15. Company's Continued Performance. Company shall not be excused from performance during any pending dispute, unless approved in writing by the OOG.

10.16. Debt to State. The Contractor acknowledges and agrees that, to the extent the Contractor

owes or incurs any debt or delinquent taxes to the State of Texas, any payments the Contractor is owed under this Contract during the term of the Contract may be applied by the Comptroller toward any debt or delinquent taxes the Contractor owes the State of Texas until the debt or delinquent taxes are paid in full.

10.17. Media Releases or Pronouncements. The Contractor understands that the OOG does not endorse any contractor, commodity good, or service. Except as authorized by the OOG to fulfill the Statement of Services to be Performed under this Contract, Contractor, its employees, representatives, subcontractors or other agents may not make any news releases, public announcements, or public disclosures, or engage in any conversations with representatives of the news media, pertaining to this Contract, without the prior written approval of OOG, and then only in accordance with explicit written instructions from OOG. Contractor must not use the name of the State of Texas or OOG in any advertisement, promotion, or otherwise for any purpose regarding this Contract without OOG's prior written approval. The Contractor shall not affix its company name, label, logo, or any other similar identifying information to or on any products, equipment or any other goods provided under this Contract.

10.18. Texas Public Information Act/Confidentiality. Contractor agrees the State, OOG, and this Contract are subject to the Texas Public Information Act, Chapter 552, Government Code (the "PIA"). Contractor agrees all information created or exchanged in connection with this Contract is subject to the PIA. Contractor will cooperate with OOG in the production of documents or information responsive to a request for information. Information provided by Contractor in connection with this Contract that Contractor considers proprietary, financial, or trade secret information (collectively "Confidential Information") shall be designated as such when it is provided to OOG. Contractor will notify OOG within twenty-four (24) hours of receipt of any third party requests for information that was provided to the Contractor by the OOG or the State. Contractor agrees that information not otherwise excepted from disclosure under the PIA, will be available in a format that is accessible by the public at no additional charge to OOG or the State.

10.19. Force Majeure. Neither Contractor nor OOG shall be liable to the other for any delay in, or failure of performance, of any requirement included this Contract caused by force majeure. The existence of such causes of delay or failure shall extend the Term of Contract until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each Party must inform the other in writing, with proof of receipt, with seven (7) Business Days of the existence of such force majeure, or otherwise waive this right as a defense. If non-performance under this Section continues for more than thirty (30) calendar days, the OOG may exercise any rights to termination.

10.20. Liability for Damage to Government Property. The Contractor shall be liable for all damages to government-owned, leased, or occupied property and equipment caused by the Contractor and its employees, agents, subcontractors, and suppliers, including any delivery or

cartage company, in connection with any performance pursuant to this Contract. The Contractor shall notify the OOG Contract Manager in writing of any such damage within one (1) calendar day.

10.21. Compliance with Applicable Laws. The Contractor shall give all notices and comply with all laws and regulations applicable to furnishing and performance of this Contract. Except where otherwise expressly required by applicable laws and regulations, OOG shall not be responsible for monitoring Contractor's compliance. Additional information regarding the "Buy Accessible Wizard" or obtaining a copy of the VPAT is located at: <http://www.section508.gov/>.

10.24. Fraud, Waste and Abuse. Contractor understands that the OOG does not tolerate any type of fraud, waste, or misuse of funds received from the OOG. The OOG's policy is to promote consistent, legal, and ethical organizational behavior, by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, OOG policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. In the event Contractor becomes aware of any allegation or a finding of fraud, waste, or misuse of funds

received from the OOG that is made against Contractor, Contractor is required to immediately notify the OOG of said allegation or finding. Contractor is also obliged to inform the OOG of the status of any on-going investigations. 10.26. No Waiver of Immunity. OOG is immune from suit and from liability.
