#### OUTLOOK

The City of Killeen recently completed a project that was supported with DEAGG funding. The project was to upgrade the security at at Robert Gray Army Airfield. Fort Hood supports the largest concentration of armored military capabilities through Mission Training Complexes (MTC) which is a constructive integrated environment for training. Fort Hood also provides combat aviation training utilizing more than 15,900 square miles. With the growth of Army Futures Command in Austin, additional missions are supported at Fort Hood.
