OUTLOOK

The Alamo Area Council of Governments was recently awarded a grant from DEAAG to upgrade infrastructure supporting JBSA. The Port of San Antonio, the former Kelly Air Force Base, is finalizing a project supported with DEAAG funding. The grant paid for upgrades to the shared hangars at Port of San Antonio/ Lackland Air Force Base which is home to multiple military missions. Past grants to prevent encroachment and develop water infrastructure have been instrumental in protecting the installations. JBSA continues to grow and gain more missions with the support of the surrounding communities.
