WORKFORCE LEADERS SAY

“On-the-job training programs like apprenticeships are a key tool in bridging the middle-skills gap in Texas. This earn-while-you-learn model helps Texans develop sought-after skills and prepare for high-wage, high-demand careers available in our growing economy.”

Chairman Bryan Daniel,
Commissioner Representing the Public,
Texas Workforce Commission

“With 80 years of experience, our truly American apprenticeship system continues to be the premier ‘earn while you learn’ road to success and the middle class.”

Dudley Light,
Regional Director,
Office of Apprenticeship,
U.S. Department of Labor

“Apprentices in Texas will learn the competencies vital to building a successful career...while simultaneously contributing to the local and global economy.”

Texas Governor Greg Abbott

REGISTERED APPRENTICESHIP FOR EMPLOYERS IN TEXAS

WHAT IS REGISTERED APPRENTICESHIP?

Registered apprenticeship is on-the-job training and classroom instruction that prepares students for highly-skilled jobs in various industries.

For each year of a registered apprenticeship program, an apprentice will receive approximately 2,000 hours of paid on-the-job training and a minimum of 144 hours of related classroom instruction. Registered apprenticeship programs are offered for one to six years.

Upon program completion, an apprentice receives an industry-recognized certification that is portable from state to state.

APPRENTICESHIP OUTCOMES IN TEXAS

- **Number of registered programs**: 704
- **Number of active apprentices**: 24,050
- **Average hourly wage at completion of an apprenticeship program**: $21.37

*Average wage is for apprentices in programs receiving Chapter 133 funding in fiscal year 2022

Apprenticeship Benefits Employers

- Gain a highly skilled workforce
- Establish strong employer/employee relations
- Reduce employee turnover
- Integrate apprentices into the organizational culture
- Decrease costs (sponsors typically incur the costs of training)
- Fill positions that require multiple or unique skills
- Address critical shortages of labor while training future workers
