## Grand Opening

*Texas is the proud home of many entrepreneurs who turn their dreams into reality. In that vein, Buc-ee's has become a cultural icon and has a following throughout the world. With thirty-five locations throughout our state, no road trip through Texas is complete without a stop at this beloved travel destination.*

*This marvelous new facility, the largest in franchise history, celebrates the past while forging an even brighter future. Replacing the first travel center built in 2003, the Luling Buc-ee's marks a new chapter for the company, for travelers, and for the men and women of the Lone Star State. Hosting one hundred twenty gas pumps, a Texas-sized parking lot, and signature amenities, this flagship location will no doubt make an impact in Luling and beyond.*

*Since 1982, Buc-ee's has been synonymous with Texas hospitality. Travelers and locals alike trust Buc-ee's for quality food, beverages, and fuel. Known for such treats as Beaver Nuggets, kolaches, and barbecue, this cultural phenomenon offers everything needed for a journey across Texas. I commend Buc-ee's for continuing to showcase the best of the Lone Star State, and I congratulate the company on its tremendous success.*

*First Lady Cecilia Abbott joins me in extending best wishes for a prosperous future.*

*In testimony whereof, I have signed my name  
and caused the Seal of the State of Texas to be  
affixed at the City of Austin this the 10th day  
of June, 2024.*

Greg Abbott  
Governor of Texas
