OFFICE OF THE GOVERNOR

MESSAGE

---

Tuition set-asides subsidize the education of some students at the cost of all, and should be eliminated as provided by House Bill No. 2396. Unfortunately, this bill does not require a corresponding cut in tuition. University boards of regents should decrease tuition in proportion to the amount no longer required to be set aside by law, rather than using this legislation as a new source of revenue

Respectfully submitted,
