

THE STATE OF TEXAS

GOVERNOR

*To all to whom these presents shall come,
Greetings: Know ye that this official certificate recognizes the
grand opening of the*

TMC³ Collaborative Building

Helix Park

Drawing upon Texas' proud tradition of innovation, this project unites intellectual giants and titans of industry under the banner of scientific research. With shared laboratories, workspaces, and infrastructure, the state-of-the-art building will facilitate groundbreaking discoveries and expand the frontiers of human knowledge.

Its impacts will no doubt be felt by patients the world over, whose lives will be improved and even saved because of the transformative, symbiotic research originating at this facility. The project, moreover, will create tens of thousands of high-quality jobs, and its annual impact is estimated in the billions of dollars, making TMC³ a major economic catalyst in the region.

Securing the future of the Lone Star State, TMC³ offers a glimpse of the better, brighter tomorrow on the horizon. In that light, this ceremony announces a new chapter for the project's founding institutions and for the State of Texas. At this event and hereafter, I applaud MD Anderson Cancer Center, the Texas Medical Center, UTHealth Houston, and Texas A&M University Health. Your work will enable us to address the great challenges of our time, and you therefore play a vital role in the larger story of Texas and her people.

First Lady Cecilia Abbott joins me in extending best wishes for continued success.

*In testimony whereof, I have signed my name
and caused the Seal of the State of Texas to be
affixed at the City of Austin this the 26th day
of October, 2023.*

Greg Abbott
Governor of Texas
