Ms. Tanya Garfield  
Director, Field Operations Center West  
Disaster Assistance  
U.S. Small Business Administration  
P.O. Box 419004  
Sacramento, California 95841-9004

Dear Ms. Garfield:

As a result of severe storms, straight-line winds, hail and flooding in Tom Green County that began on June 23, 2017, and continued through June 26, 2017, many homes and businesses were affected in the area, creating an economic emergency for the residents of the county.

Pursuant to the provisions of 15 U.S.C. § 636(b)(2) and 13 C.F.R. § 123.3(a), I request the Small Business Administration declare Tom Green County a disaster area for the purpose of making long-term, low-interest-rate physical disaster home and business loans and economic injury disaster loans available to citizens and businesses affected by the disaster. A preliminary survey indicates that there are more than 25 homes and/or businesses that suffered an uninsured loss of more than 40 percent in the county.

Thank you for your consideration in this matter. If you need any further assistance, please do not hesitate to contact W. Nim Kidd, Texas Department of Public Safety Assistant Director for Emergency Management, at (512) 424-2443.

Sincerely,
