## GOVERNOR

 *To all to whom these presents shall come,  
Greetings: Know ye that this official recognition is presented to*

## Vehicle Accessory Group

Mesquite, Texas

*Having grown in power and worth for nearly two centuries, Texas stands proudly among the great economies of the world. Today, the Lone Star State offers opportunity that cannot be found elsewhere, and consequently, businesses such as Vehicle Accessory Group have embraced the "Gone to Texas" spirit, spurring job growth, tax revenue, and economic development.*

*The company, by prioritizing dependability and quality, has won high praise as a supplier. Its relocation to Mesquite reflects a nationwide movement to Texas within the automotive industry, and in the coming years, this facility will drive prosperity in a very literal sense. This site has already created more than three hundred high-quality jobs, and it is therefore an uplifting force in the Metroplex and beyond.*

*Since 2009, automotive exports have more than doubled in Texas, and Vehicle Accessory Group will help continue this economic boom. The company has built and sustained a reputation of excellence, and in due course, your achievements will echo throughout the Lone Star State. In that light, the grand opening of your headquarters signals an exciting new chapter for Vehicle Accessory Group, its partners, and the entirety of Texas.*

*First Lady Cecilia Abbott joins me in extending best wishes for continued success.*

*In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin this the 17th day of June, 2024.*

Greg Abbott
